

CHC30302 Certificate III in Disability Work

Course Structure

Achievement of this qualification requires the completion of 14 total units:
8 Core Units & 6 Elective Units

Descriptor	<p>Workers in this occupational group work in the community and/or residential facilities under direct or regular supervision within clearly defined organisational guidelines and service plans. These workers carry out activities related to the maintenance of an individual's personal care and/or other activities of living. These workers report directly to a supervisor and are not responsible for other workers.</p> <p>Workers at this level are required to have an understanding of Indigenous culture and history and to work with local communities in the provision of services.</p>
