

CHC40302 Certificate IV in Disability Work

Course Structure

Achievement of this qualification requires the completion of 10 total units: 10 Core Units & 4 Elective Units

Descriptor	<p>Workers in this occupational group work in residential group homes, training resource centres, day respite centres and open employment services, other community settings and clients' homes. These workers apply knowledge and skills gained through qualifications and/or previous experience to provide training and support to people with disabilities to enhance their ability to achieve greater levels of independence, self reliance and community participation.</p> <p>These workers report to service managers and may liaise with health professionals and other service agencies. Workers in this group may work without direct supervision and may be required to supervise and/or co-ordinate a limited number of lower classified workers. Workers at this level are required to have an understanding of Indigenous culture and history and to work with local communities in the provision of services.</p>
